WASCANA CENTRE AUTHORITY REGINA, SASKATCHEWAN

FINANCIAL STATEMENTS
March 31, 2011

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS

The accompanying financial statements of **Wascana Centre Authority** have been prepared by the Organization's management in accordance with Canadian Generally Accepted Accounting Principles and necessarily include some amounts based on informed judgment and management estimates.

To assist management in fulfilling its responsibilities, a system of internal controls has been established to provide reasonable assurance that the financial statements are accurate and reliable and that assets are safeguarded.

The board of directors has reviewed and approved these financial statements.

These financial statements have been examined by the independent auditors, **Virtus Group LLP**, and their report is presented separately.

Bernadette McIntyre Chief Executive Officer Rachel Ratch, CMA
Chief Financial Officer

INDEPENDENT AUDITORS' REPORT

To the Members, Wascana Centre Authority

We have audited the accompanying financial statements of **Wascana Centre Authority** which comprise the statement of financial position as at **March 31, 2011**, and the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidience we have obtained is sufficient and approriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Authority as at **March 31, 2011**, and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as disclosed in note 2 to the financial statements.

Notes to the Financial Statements

Year ended March 31, 2011, with comparative figures for 2010

Note 1. Description of operations

On April 1, 1962, *The Wascana Centre Act* (the "Act") was passed unanimously by the Saskatchewan Legislature. By this Act, the Wascana Centre Authority (the "Authority") was established as a statutory corporate body for the operation of Wascana Centre (the "Centre"). The Government of Saskatchewan (the "Government"), the City of Regina (the "City") and the University of Regina (the "University"), usually referred to as "Participating Parties", became partners in the Wascana Centre Authority.

Under the powers of the Act, the Authority establishes a master plan for the Centre and ensures all developments are consistent with the plan; approves all exterior improvements, including building, service facility and landscape improvements; establishes bylaws; provides special services; undertakes landscape construction and maintains the grounds within the boundaries of the Centre.

The Authority is a registered charity within the meaning of the *Income Tax Act* (Canada) and is exempt from income taxes.

The Authority is economically dependant on the Participating Parties and is financed as follows:

Statutory grants

These funds are provided for in Section 53 of the Act, on the shared basis of 55% by the Government, 30% by the City and 15% by the University to provide the necessary funding for the administrative and general operating expenses of the Authority. The Act also provides that no less than \$375,000 of this amount be directed towards landscape construction and service facility construction and restoration on Authority owned land, and service facility construction on land of a Participating Party when the service facility construction is deemed to be of mutual benefit to the three Participating Parties, pursuant to Section 30 of the Act.

Operating grants

Beyond the statutory contribution, operating grants are provided by each of the Participating Parties based on land ownership.

To maintain uniformity throughout the Centre, unit operating costs are established pursuant to Section 37 of the Act and applied as standards for landscape and service maintenance. This ensures that each of the Participating Parties pays its fair share of operating costs for lands located within the Centre, the title for which is held by the respective Participating Parties.

Developments such as buildings, roadways and landscaped areas are the responsibility of the landowner holding title to such developments.

Notes to the Financial Statements

Year ended March 31, 2011, with comparative figures for 2010

Note 2. Significant accounting policies

The financial statements have been prepared by management in accordance with Canadian generally accepted accounting standards with the exception of the policy of the Authority to expense designated expenditures that would otherwise be capitalized.

Revenue recognition

The Authority follows the deferral method of accounting for contributions which include government grants and donations. Where a portion of an operating grant relates to a future period, it is deferred and recognized in the related period. Grants to assist with the financing of capital asset additions are recorded as deferred contributions. The portion of the grant equivalent to the annual amortization expense of the related asset is recognized annually as income.

Revenue from fees, contracts and sale of goods and services are recognized when the services are provided or the goods are sold.

Property, plant and equipment

Purchased assets are recorded at cost. Property, plant and equipment originally contributed by the Participating Parties at incorporation have been recorded at a nominal value of \$1. Specifically designated expenditures that are incurred for landscape construction on public land and construction of service facilities on Authority land or on land of the Participating Parties are expensed. Works of art are not amortized, but capitalized and included with buildings and land improvements.

Amortization is provided on the straight-line basis over the following periods:

Buildings and land improvements	10 - 20 years
Equipment	5 - 7 years
Vehicles	5 - 7 years
Office equipment and furniture	5 years

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Financial instruments - Recognition and measurement

All financial instruments are designated and classified as one of the following: held-to-maturity, loans and receivables, held-for-trading or available for sale and other liabilities. Financial assets and liabilities held-for-trading are measured at fair value with gains and losses recognized in excess of revenues over expenses. Financial assets held-to-maturity, loans and receivables and financial liabilities other than those held-for-trading are measured at amortized cost. Available for sale financial assets are measured at fair value with unrealized gains and losses recognized as a separate component of net assets. Upon initial recognition any financial instrument may be designated as held-for-trading.

Notes to the Financial Statements

Year ended March 31, 2011, with comparative figures for 2010

Note 3. Future accounting changes

Pursuant to standards established by the Public Sector Accounting Board (PSAB), the Corporation is classified as a government not-for-profit organization.

PSAB has issued Public Sector Accounting (PSA) Handbook sections PS 4200 to PS 4270, which incorporate the existing Canadian Institute of Chartered Accountants (CICA) standards for not-for-profit organizations into the PSA Handbook. PSAB also amended the Introduction to Public Sector Accounting Standards, to require that government not-for-profit organizations adopt the standards in the PSA Handbook for financial statements relating to fiscal periods beginning on or after January 1, 2012. Management is evaluating the impact of these changes.

Note 4. Property, plant and equipment

				2011	2010
		A	ccumulated	Net Book	Net Book
	Cost	Α	mortization	Value	 Value
Assets from Participating Parties	\$ 1	\$	-	\$ 1	\$ 1
Land	1,669,894		-	1,669,894	1,669,894

	\$ 9,710,323	\$	6,654,101	\$ 3,056,222	\$ 3,246,818

Note 5. Deferred landscape construction contributions

Deferred contributions represent unspent statutory grants for landscape construction carried forward from year to year, unspent capital contributions from funding agencies for specific projects, as well as donations received from the public designated for specific purposes. These amounts are externally restricted as a result of conditions associated with their receipt. Within these external requirements, the Board has designated these amounts to be spent on Landscape Construction (\$257,975), Fine Arts (\$59,448), Master Plan (\$99,957) and Waterfowl Park (\$33,428) initiatives.

	2011	2010

Balance, end of year	\$ 450,808	\$ 652,087

Notes to the Financial Statements

Year ended March 31, 2011, with comparative figures for 2010

Note 6. Investment in property, plant and equipment

Investment in property, plant and equipment is calculated as follows:

2011		2010
\$ 3,246,818	\$	3,159,732
279,322		357,366
(111,526)		-
(358,392)		(270,280)
\$ 3,056,222	\$	3,246,818
\$ 377,818 115,610	\$	430,006
•		(52,188)
\$ 441,240	\$	377,818
\$ 2,614,982	\$	2,869,000
\$	\$ 3,246,818 279,322 (111,526) (358,392) \$ 3,056,222 \$ 377,818 115,610 (52,188) \$ 441,240	\$ 3,246,818 \$ 279,322 (111,526) (358,392) \$ 3,056,222 \$ \$ 377,818 \$ 115,610 (52,188) \$ 441,240 \$

Note 7. Special Projects Reserve

During 2008/09, the Board designated \$100,000 as a Special Projects Reserve. The Reserve may be used for any purpose approved by the board.

Note 8. Related-party transactions

Included in these financial statements are expenditures resulting from routine operating transactions with various agencies and departments of the Participating Parties.

These transactions are in the normal course of operations and are recorded at the exchange amount, which is the amount of consideration established and agreed to by the related parties. The Authority had the following transactions with related parties:

	2011	2010
Expenses:		
Service maintenance	\$ 230,743	\$ 247,060
Indirect costs	156,126	179,517
Specialized services	57,604	74,297
Amounts included in the statement of financial position:		
Accounts receivable	\$ 173,904	\$ 287,793
Prepaid expenses	5,381	_
Accounts payable	158,703	36,943
Deferred revenue	412,750	_

During the year, the Authority incurred expenses of \$220,996 (2010 - \$825,610) for services provided to the Participating Parties and outside agencies on a contractual basis that were fully recovered from the Participating Parties and outside agencies.

Notes to the Financial Statements

Year ended March 31, 2011, with comparative figures for 2010

Note 9. Financial instruments

Fair Value:

The fair value of the Authority's cash and term deposits (classified as held for trading), accounts receivable (classified as loans and receivables), and accounts payable (classified as other liabilities) approximate their carrying amounts due to their short term nature.

Credit Risk:

The Authority is exposed to credit risk on the accounts receivable from its customers. In order to reduce its credit risk, the Authority has adopted credit policies, which include the regular review of their credit limits. The Authority incurred insignificant bad debt expense during the past three years.

Note 10. Capital disclosures

Capital of the Authority includes its net assets. The Authority's objective when managing capital is to meet its current objectives as set out within its current strategic operating plan within its annual operating budget. This objective has remained unchanged from the prior period. Capital is not restricted except as otherwise disclosed in these financial statements.
